Gavin & Natalie,

Thank you for assisting me in finding and settling a property that exactly fitted my needs. The brief being a single level three bedroom house or villa with no steps, in the St George or Lutherland districts that was within my budget of \$420,000.

Oasis Property Buyers exceed my expectation by finding a property within two weeks of filling out the initial brief. They inspected over 40 properties on my behalf and asked me to inspect a property at 27a Parkwood Drive, Menai 2223. This was by far the best value for money property that ENACTLY fit the buying brief.

After inspecting the property I decide to proceed with attempting to purchase the property.

Originally advertised for \$450,000, and with a \$420,000 bid refused a month earlier, Gavin was confident he could secure the property for the \$420,000 budget. He succeeded and the property was purchased for \$420,000 with an extended settlement date negotiated.

Natalie's assistance and patience in answering and explaining a lot of questions in finalising the legal arrangements made the whole buying exercise enjoyable in what can be an extremely stressful time.

I would have no hesitation in recommending both Gavin and Natalie to assist you in any home purchase. If you want to purchase a property and do not want the stress, have the time or have a limited budget then the investment in using Oasis Property Buyers is money well spent!

Thank you, Gavin & Natalie, for your assistance and making my buying experience enjoyable. I really appreciated your assistance and will definitely be using your services again on my next property purchase.

Please feel free to contact me at any time regarding this testimonial.

Yours sincerely,

Steve Littlejohn
