Hi Gavin, hope you, Natalie and Bronte are well.

Sorry it's been a while getting back to you with our testimonial, for some reason it's been a really busy couple of months that have flown by really quickly! However, we have finally got on the case, we would like to provide you with the following simple, but hopefully effective, statement:

In our search for a home, we deliberately set ourselves a tough target in a tough market. Gavin and Natalie demonstrated a high level of perseverance with our demands and continual enthusiasm to find the right solution for us. We were so happy with the service provided by Gavin and Natalie that when we look for our next home in a few years time we will certainly employ them again.

As for the house warming, we haven't got round to organising this yet, hopefully it'll happen some time this year, so watch this space!

As for the unit, it's coming along really well and we're really happy. You're very welcome to drop by anytime when you are in the Bondi area.

All best,

Andrea and Sean
