Dear Gavin

A short note to thank  
you once again for  
your assistance with  
finding my new home.

I could not <sup>have</sup> been  
happier with the  
process or the result.

In particular, I  
greatly appreciated  
your personal attention,  
freely provided counsel

and relaxed professionalism  
- it made the whole  
experience ~~so~~ very  
easy.

I look forward to  
our next purchase  
together.

Yours sincerely

Duncan Wyllie
