Living in Perth but wanting an investment property in Sydney, and after several tiring and unproductive attempts, I cautiously decided to engage a buyer's agent. After considerable evaluation it quickly became clear that **Oasis** was far and away the most responsive, informative, and impressive option. I never looked back.

In a land where customer service leaves a lot to be desired, Gavin's team is a remarkably refreshing exception. I must have made a hundred phone calls over a couple of months and, despite his unbelievable workload, he never once failed to return my call within an hour or less, always courteous and helpful no matter what day or time.

I didn't give him an easy brief, but he has the exceptional skill of quickly distilling the buyer's criteria and assessing their needs without a hint of pressure or bias. His easy going, jovial but highly skilled and enthusiastic style was exhilarating. After a whole day of his undivided attention and many, many, calls, texts and emails, he guided me to exactly what I was looking for - and under difficult circumstances went well out of his way to secure my new property.

I have yet to meet a more helpful, knowledgeable, genuine and friendly businessman. It was an absolute pleasure to work with Gavin and his team and I cannot think of words sufficient to truly convey my thanks and recommendation.
