P.S. I would also like to wish you the best of luck in writing your book. I have no doubt that you have the ability to create a great book on your greatest passion (after your family, of course) - real estate. I may never have mentioned this to you before but one of the reasons I was attracted to your website was the passion I found in your writing. With the right angle, style and marketing, this will be the base of a bestseller! Hope I can be of assistance with this. Needless to say, please keep in touch. You and your family are always welcome in our home.

Dear Gavin,

*Merry Christmas  
and  
Happy New Year*

First of all, we would like to express our heartfelt thanks in helping us find our home. To be honest, I had never expected you to find this house in such a short time. Thanks to your amazing negotiation skills, we paid a price considerably lower than the market would have commanded. After almost 9 years of renting, we are thrilled to finally be home owners! Thanks again, also to Natalie, and hope you will both enjoy the enclosed token of our appreciation. Forced relaxation! Very best wishes & all the best for your business.
