

Oasis Properties, Cremorne

It is with pleasure that John and I recommend the services of Gavin McPherson and his able team to assist with the purchase of a property.

It was with great relief that we were able to hand over our search for a unit on the Northern Beaches which would fulfil our needs. First requirement "quiet but central". I thought we were asking the impossible but not so!

Thanks to Gavin and particularly Adam who discovered our lovely unit here in Balgowlah we have been happily settled for 6 weeks and could not have done this without their help.

As with all moves there is always turmoil and thanks to Gavin holding my hand I was able to deal with a very confusing strata report and move forward with the purchase of the property.

As we enjoy the lovely aspect from our balcony in peace and quiet we know we can just walk up the path to the bustling shops and cafes of Balgowlah in a matter of minutes. Mission accomplished!

Thank you everyone at Oasis
