To Whom It May Concern,

As the selling agent for 17 Lea Ave, Willoughby I was delighted to deal with buyers agent Gavin McPherson of Oasis Property Buyers to negotiate the sale of the property. I found Gavin to be extremely professional. I originally met Gavin at another property in Willoughby and he was very quick to let me know exactly what his client was looking for. His attention to detail allowed me to suggest 17 Lea Ave (which had not yet hit the market) which his clients did proceed to purchase.

I would highly recommend the services of Gavin McPherson and in addition their conveyancing branch; McPherson Conveyancing.

Yours Sincerely,

Adam Wong
